About the Better Party

The Better Party was created in Missouri to provide reasonable ballot access for independent political candidates at all levels of government. The Party will make it easier for independent candidates in the state to get on the ballot. As a result, Missouri voters will have more options when selecting who will represent them in government. The Better Party is running two candidates in this election, Jared Young running for Senate and Blake Ashby running for Congress. www.betterpartymo.com

About Jared Young

Young is an independent candidate for the U.S. Senate. He is a devoted family man, former CEO, and Harvard-educated attorney with international experience who has stepped up to provide a voter-centered approach to politics. He believes that hyperpolarized partisan politics are getting in the way of progress on our country's biggest problems – like immigration and our nation's financial situation. Politicians who swear their allegiance to their party in exchange for money and power are not prioritizing the needs of those they represent. He will be loyal to Missourians and will collaborate with others who prioritize progress over party.
